With over 30,000 subscribers acquired the past three months, Progresif is delivering on its promise to change telecommunications in Brunei forever, offering what consumers really need. Their growing active customer base has reached almost 90,000 and continues to grow.

“Every new customer is a vote of confidence for the change we are bringing and this show of support is helping us to invest in further development of our network and innovation in our products services portfolio”, stated Paul Hyde, CEO of Progresif.

During the month of Hari Raya, Progresif is giving something back to their customers by giving away return tickets to any Royal Brunei destination.

Any Postpaid or Prepaid customer gets a chance to win every time they make an 8-minute call to any international number using 00 or 089. New customers can get a chance to win by simply activating a new Progresif line.

A winner is selected each week to receive 2 return tickets.

The first winner of the Hari Raya promotion was Mrs Sapiah Haji Salleh, last Friday. Mrs Sapiah is used to making calls daily for business purposes and family matters and she was indeed pleased to win the prize.
